Attachments: 1003 - Invitation to Bid.doc; 1003 - 051712 - VEHICLE LIFTING SYSTEM.doc

Hi Kevin-

Attached is the bid spec per your request.

We will accept electric/mechanical or electrical /hydraulic.

Wireless is an acceptable alternate.

Subject: Bid for Vehicle Lifting System #1003-5/17/12

Sirs,

My name is Kevin Bouldin, Outside Sales for FleetPride out of Hartford,CT.
We are interested in bidding on the Mobile Column lift but are not able to pull up the bid specs from your website...just routed back to RFP front page. Please email them to: Kevin.Bouldin@Fleetpride.com

Also: upon reviewing information on the specs provided me by the garage, the bid seems to be a hybrid of several systems out there. Are you interested in an Electrical/Mechanical or Electrical/Hydraulic type of system?
An additional note is that our system does not require wires to synchronize the lift system, that is accomplished wirelessly.

I will look forward to your response from this inquiry.

Thank you.

Kevin Bouldin
