RECEIVED
VERNON TOWN CLERK
10 MAR 12 PM 12: 57

The meeting discussed the "Prohibition" Section of the ordinances list. Mike Winkler led the discussion. We had questions on two ordinances which say "Not codified" but seems to have been voted upon by the Town Council at the time. Ms. Dixon will clarify for us.

We are referring what the disposition should be for the two curfew ordinances which are still "active" on our list.

We will pursue the combining multiple ordinances which are of similar theme, such as the parking and snow ordinances.
Adjourned at 8:45 PM.

Respectfully submitted,

Brian Motola
