VERNON'S PUBLIC WORKS DEPARTMENT 'CASHES IN' AT CASHO EVENT

Mayor Jason L. McCoy is pleased to announce and congratulate the Vernon Public Works Department on being recognized by the Connecticut Association of Street & Highways Officials, Inc. (CASHO) as 'Winning Municipality' for the 2010 Snow Plow Safety Roadeo.

Vernon's Public Works Department also boasted three individual winners in the following categories: Mike Baran, 1st Place Large 6-wheel Dump Truck Division, Tim Moriarty 1st Place Small Mason Dump Truck Division and Pete Lesniak 2nd Place Pick-up Truck Division.

Additionally, Vernon's DPW was recently featured in CASHO's **Highways & Byways Magazine Municipality Close-Up** article for the Summer/Fall of 2010. The article highlights the roles and assorted responsibilities held by the departments 48 employees. Two articles further describing the CASHO Roadeo event and the feature section on Vernon DPW can be viewed on the Towns website at <http://www.vernon-ct.gov>.

CASHO, a not-for-profit organization providing education on Public Works functions, hosts the Roadeo event annually and participants are selected by their respective municipality to compete in events. This year, 40 drivers representing seventeen municipalities participated.

Mayor McCoy extends his congratulations to the entire Public Works Department upon receiving these honors, and for the recognition brought to the Town of Vernon in the CASHO articles, saying "I am pleased and proud of the diverse talents and skills represented in our DPW and its employees".
