

UPDATE
May 8, 2012

HATCH HILL ROAD RECONSTRUCTION

Due to weather delays last season, the final section of Hatch Hill Road from Brandy Hill Road to Bolton Road will be completed this spring/summer.

Some work remains to be completed from Brandy Hill Road to the boat launch at Middle Bolton Lake. While Hatch Hill Road will not be closed to traffic, occasional delays are to be expected.

Questions regarding this project may be referred to town Engineers David Gooch at (860) 870-3682 or Terry McCarthy at (860) 870-3663.
