MAYOR APEL ANNOUNCES NOTIFICATION OF FEMA REIMBURSEMENT

Mayor George F. Apel today, announced that ***“the Town of Vernon’s request for FEMA reimbursement for the Storms of 2011 has been approved and funded.”***

Mayor Apel issued the following statement ***“FEMA has announced that the Town of Vernon will be receiving \$2.87 million in reimbursement for 2011 Storms Halloween Snowstorm (aka: “Alfred”). These reimbursements will arrive from August to October, 2012 directly to our Finance Department. I am relieved to know that our General Fund will be replenished with the return of these funds. The Town of Vernon is very thankful for the many members of our Finance and Administrative Staff for their work with the inordinate amount of paper work involved in recording this type of event. It is also of the utmost importance to remember that our First Responders and Town Employees were the strength and core of our emergency response and they deserve our respect and thanks.”***
