Mayor McCoy, Town of Vernon Looking For Volunteers to Help Remove Snow

Vernon, Conn., -- Mayor McCoy is looking for local volunteers who can help clear snow from school roofs.

"The Town of Vernon is looking for volunteers to come out and assist us with the removal of snow on the remaining school buildings," Mayor McCoy said. "We made great progress yesterday, and we would like to continue with that progress today. We are working as quickly and efficiently as possible, however any additional people would be a huge help."

Members of the community who are interested in helping can come to the small gym at Rockville High School, located at Loveland Hill Road, or call (860) 871-7468.
