Mayor McCoy Updates Town Council; Emergency Funds Unanimously Appropriated

Vernon, Conn., -- Mayor McCoy today requested and held an emergency Town Council meeting at the Public Safety Building. The hour-long meeting was used to discuss progress and further plans regarding the snow and ice removal from school roofs that began on Thursday. Additionally, snow removal expenditures were discussed, and Council members unanimously approved a budget amendment request by the Administration in the amount of \$90,000 to cover the cost of snow removal from the roofs of the school buildings. The Council expressed appreciation for and applauded the efforts taken by Mayor McCoy, his staff, and the many volunteers over the course of the last week to remove the snow, maintain the integrity of the school buildings, and uphold the safety of our students.
