#### Committee Report

Carol Nelson will be working to updating the Advisory By-Laws with the help of Dave Alter, Ed Slattery, and Paula Clayton.

The director went over her report. After much discussion it was suggested that members of the board and anyone could go to an events committee meeting and make suggestions as to cost and what should be offered for an event. They are always looking for suggestions.

Thank you Paula, your report is always helpful.

Petty cash or check for advance ordering of supplies for events were discussed but tabled for the time being.

Old Business – Sign out front. Town still working on it.

Frame and center sign upstairs on stage. Ed Zinky will take care of it.

New Business- Dave Alter mentioned purchasing a small used van to take senior's to an event or shopping when a big one is not needed. He will look into it further. Paula will also research it.

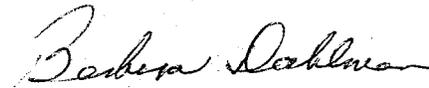

A suggestion was made to see if rooms could be made into smaller areas, so bigger areas could be used for Wii bowling game without being in each others way. Cannot put up dividers upstairs as ceiling is too high. Also this is a town building.

Gerry made a motion to accept election of officers as presented in the last meeting held on May 17, 2011. Ed Zinky seconded. Motion passed for those present.

Gerry made a motion to close the meeting at 11:00am, Ed Zinky seconded, motion passed.

Our next meeting will be held on Tuesday, September 20, 2011 at 9:30am.

I would like to say a thank you to Carole Slattery for past help!
