

Public Information Session

[Connecticut Water Company](#) will be holding a
Public Information Session on
Wednesday, September 24, 2014
in the Vernon Town Hall, Town Council Chambers,
Third Floor, 14 Park Place, Vernon, Connecticut
beginning at **7:00 PM**.

The [Connecticut Water Company](#) will be discussing its plans for the replacement of the Rockville Water Treatment Plant, which went online in 1970 and is the primary source for the Company's customers in Tolland, Ellington, Vernon and South Windsor.

Along with the new treatment plant, [Connecticut Water](#) is planning to extend its water system to serve the needs of current and future customers in Tolland and Mansfield, including the University of Connecticut.

Representatives of the University will be participating in the Public Information Session.
