### **Review of the January Department Drills**

- Night Drills: (All Companies)

1/17/11, – Confined Space Awareness refresher, good presentation and refresher.

1/24/11 – Engineered Lumber, overview of engineered lumber, different types and the impact fire has on the products.

- Day Drills:

No report.

- Junior Drill

1/3/11, R-441, drill went well.

### **March Department Drills**

- Night Drills (All Companies)

March will be CPR month, the new standards are out however training material is not yet available so it was decided to go ahead and not put off this refresher any longer. Interim training methods from AHA will be used. The schedule will be posted separately, however Stations 441 and 541 are due for CPR and Station 141, 241 and 341 are due for First Aid and D-Fib.

## **Feedback From Staff Meeting / Executive Board / Standing Committees**

- Staff Meeting Highlights –
- Recruitment Committee / New Recruit Training – Next class currently in session.

## **Training Committee Issues**

### **Old Business**

- Friction force door – still out of service, however a loaner door is at Station 141 if needed for companies to use.
- Firefighter I – Have not received any updates from Bill Kerr.
- Advanced UTV Training, tabled until next month.
- Junior Training by company, the balance of the schedule still needs to be completed at the March Training Committee meeting.
- All members present were reminded to go back to their companies and discuss what type(s) of Officer Training they would like to see this year and bring that information back to the March Training meeting.
- Other Old Business – None

### **New Business**

- Bloodborne Pathogen training is out on Target Safety. The question was brought up for the members who work the ambulance and take the Center Learn training as well. Any member who works the ambulance and takes the Center Learn training for bloodborne does not need to do both (unless they want to). Please print your Center Learn certificate and put it in A/C Eppler's mailbox and your Target Safety records will be updated to reflect that.
- Other New Business – None.

## **Close Meeting**

The meeting was adjourned at 20:08. ***The next scheduled Training Committee meeting is Thursday, March 17, 2011, 19:00 at the Public Safety Building.*** All companies need to be represented and all interested members are welcome.
