Human Services: Commission members discussed upcoming agency visits. Due to scheduling constraints it was decided that the visit on July 11th to Hockanum Valley and CT Legal Services should also serve as the Commission meeting for the month of July. Commission members also agreed that they would like to extend invitations to Town Council members to the agency visits. The invitations will go out to the Council as part of the half year Human Services Commission Update. Cornerstone Shelter was tentatively scheduled for a visit in August, possibly at the same time as the Commission normally meets. Meeting was adjourned.
