Mayor Apel Congratulates Vernon's 4th Quarter Honor Roll Students

(VERNON) Today, Vernon Mayor George F. Apel expressed hearty congratulations to the 353 students of Rockville High School and the 348 students at Vernon Center Middle School who concluded the 2012-2013 school year on a high note by attaining honor roll recognition for the fourth quarter.

“Remaining diligent as the days of summer approach can be difficult, but you have succeeded.” said Mayor Apel. “During the last academic year, Vernon averaged 713 students achieving honors distinction each quarter. That number represents 43% of the 1652 students enrolled” said Mayor Apel. “These facts are further evidence that Vernon students are succeeding in their studies, and that our schools are helping these young residents to meet the rigorous educational requirements needed to succeed today.”
