PRESS RELEASE

September 28, 2016

REMAINING HAZARDOUS WASTE COLLECTION DATES FOR 2016

Vernon residents have two more opportunities to dispose of hazardous waste this year. The remaining collection dates for 2016 are October 29 at the Manchester Landfill located on Olcott Street in Manchester AND on Saturday, October 15 at the Stafford Town Garage. Both collections will be held from 8 AM to 1 PM.

The drop-off is free to Town residents but the Town is billed \$43 per participating vehicle, therefore, it is requested that residents bring as many hazardous materials as possible to the collection site, possibly car-pooling with neighbors.

The following items will not be accepted: latex or oil-based paints, alkaline batteries, asbestos, smoke detectors, compressed gas cylinders, ammunition, fireworks, explosives, and fire extinguishers. Motor oil and antifreeze may be disposed of at the Transfer Station at no charge to Vernon residents. Latex or oil-based paints may be brought to Sherwin Williams located at 100 Tolland Turnpike (Rt. 83). They will accept up to 5 gallons per day free of charge providing cans are labelled, sealed and non-leaking.

Robert J. Kleinhans
Director of Public Works
