

## **HUSKY Health (Medicaid & Children’s Health Insurance Program)**

HUSKY Health is the State of Connecticut’s public health coverage program for eligible children, parents, relative caregivers, elders, individuals with disabilities, adults without children, and pregnant women. Eligibility criteria vary. HUSKY Health encompasses: HUSKY A (Medicaid for children/parents/relative caregivers/pregnant women); HUSKY B (non-Medicaid Children’s Health Insurance Program); HUSKY C (Medicaid for the Aged/Blind/Disabled, also known as Title 19 and including Long-Term Care services); and HUSKY D (Medicaid for Low-Income Adults).

You can apply for HUSKY and for the subsidized insurance plans available under the Affordable Care Act (ACA) through Access Health.

**You can enroll by going to [Accesshealthct.com](https://Accesshealthct.com) or you can call 1-855-805-4325**

When you apply, Access Health will determine which program you qualify for.

Connecticut residents who have Medicare may participate in the CHOICES program, which is **Connecticut’s program for Health insurance assistance, Outreach, Information and referral, Counseling, Eligibility Screening**. The CHOICES program helps Connecticut’s older adults and persons with disabilities with Medicare understand their Medicare coverage and healthcare options and offers enrollment assistance.
