## **FREE State-Sponsored Drive-Thru COVID-19 Testing Sunday, November 22<sup>nd</sup> at Rockville High School**

**(VERNON, Connecticut)** – Free state-sponsored drive-thru COVID-19 testing will be offered **Sunday, November 22<sup>nd</sup>, from 1:00 to 4:00 p.m. at Rockville High School, 70 Loveland Hill Road.** Testing is open to all, especially those who have reason to believe they were in contact with or exposed to a person with the virus.

The testing is being coordinated by the Town of Vernon and the North Central District Health Department with the State Department of Public Health. Sema4 Laboratories is conducting the testing.

COVID-19 symptoms can include: fever or chills, cough, new loss of taste or smell, shortness of breath or difficulty breathing, fatigue, muscle or body aches, headache, sore throat, congestion or runny nose, nausea or vomiting, and diarrhea.

People who test positive can expect to receive a call from a Contact Tracer who will ask detailed questions about people with whom the tested person may have had contact. Contact Tracers work to halt the spread of COVID-19 and cooperating with them can help save lives. The Contact Tracer's caller ID will appear on mobile phones as "CTCOVIDTRACE" or the local health department (North Central District Health Department). Of note, Contact Tracers do not ask people to call 900 phone numbers, will not contact people via social media, and do not ask for financial information.

There are other COVID-19 testing opportunities in and around Vernon. For additional information, please visit [www.ct.gov/prioritytesting](http://www.ct.gov/prioritytesting).

### **About the Town of Vernon**

The Town of Vernon is a celebrated place to live, work and visit.
