AUGUST 18, 2009

This is to give Notice that on July 21, 2009 in accordance with Chapter XII Section 10(f) of the Vernon Town Charter, the Vernon Town Council scheduled a Public Hearing and Special Town Meeting to be held August 18, 2009 at the third floor Town Council Chambers in the Town Hall Memorial Building, 14 Park Place, Vernon, Connecticut, to hear comments and take the necessary action relative to the following Resolution recommended by the Mayor:

RESOLUTION REGARDING AN ADDITIONAL APPROPRIATION FOR EDUCATION IN THE AMOUNT OF $932,644.00

WHEREAS, the Town of Vernon is to receive from the State of Connecticut $953,532.00 as partial reimbursement for fiscal year 2008-2009 special education and placement expenditures as follows: $587,357.00 from a Special Education Agency Placement grant; $280,527.00 from a Special Education Excess Cost grant; and $85,648.00 from a Regular Education Agency Placement grant; all pursuant to Section 10-76(g) of the General Statutes: and

WHEREAS, with reference to the General Statutes, the funds should be returned to the Education budget if not previously appropriated.

WHEREAS, the State Department of Education overpaid the Town of Vernon in the 2007-2008 special education grants by $20,888.00 and have deducted that amount from the 2008-2009 Education Cost Sharing grant. As done in previous years, the $20,888.00 will be deducted from the current year special education grants of $953,532.00 for a total appropriation of $932,644.00.

LEASE

In consideration of the mutual promises, performances, obligations, payments and considerations of the other, the within-described premises are leased by TANCANHOOKEN LLC, a Connecticut limited liability company, with an office in the Town of Vernon, Connecticut, c/o Thomas S. Mason, 183 Reservoir Road, Vernon, CT 06066 (hereinafter called Lessor) to the TOWN OF VERNON, a Connecticut municipality, of 14 Park Place, Vernon, CT 06066 (hereinafter called Lessee) on the terms and conditions set forth below.

1. The premises are described on Schedule A attached hereto and made a part hereof.

2. Said premises are to be used for the composting of leaves by the Lessee for the term of one (1) year from the first day of August, 2009, for the annual rental of Thirty-Two-Thousand-Dollars ($32,000.00) Dollars payable in advance on August 1, 2009, at the office of the Lessor or such other place as the Lessor may designate in writing.

3. The Lessor covenants that it has good right and power to lease the premises to the Lessee, and so long as the Lessee complies with its obligation under the terms of the lease, the Lessee shall be allowed to peaceably enjoy the premises.

4. The Lessee further agrees that during the term of this lease, it will not assign or underlet the said premises or any part thereof nor use nor occupy the same nor permit the same to be used or occupied for any purpose other than herein specified without the consent, in writing, of the Lessor.

5. The Lessee hereby further agrees to do no waste, to conform to all laws, orders and regulations of the federal, state and municipal authorities relating to health, fire and nuisance so far as the leased premises are or may be concerned and to comply with any direction of any public officer or officers pursuant to law, with respect to the leased premises and to save the Lessor harmless from all fines, penalties and costs for violation of the compliance with said laws, orders, regulations and directions. The Lessee also agrees not to suffer any articles to be brought upon or any act to be done upon said premises which may be noxious, dangerous or offensive to others or which may subject the Lessor to any liability or responsibility for actual or potential injury to any person or persons by reason of any business or operation carried on upon said premises.

6. The Lessee further agrees that at the expiration of said term, or the sooner termination of this lease, the Lessee will quit and surrender the leased premises in as good state and condition as reasonable use and wear thereof will permit.

7. The Lessee hereby waives entry, demand and notice of every kind and description, whatever which might otherwise, were it not for this waiver, be necessary in obtaining possession of said premises.

8. Lessee shall, throughout the term of the lease, carry public liability insurance with single limits of not less than One-Million-Dollars ($1,000,000.00) for each person and occurrence for personal injury and for each occurrence for property damage written on a per occurrence basis against liability arising out of the occupancy, use and maintenance of the premises. The Lessor shall be named as additional insured on the insurance policy and shall be given a Certificate of Insurance, which shall contain a thirty (30) day notice of cancellation to the Lessor.
9. Any notice to either party shall be deemed given if sent by certified mail to the address above noted for each party or to an address subsequently supplied by certified mail.

10. Only leaves collected within the Town of Vernon will be accepted for composting on this site. No other materials, other than leaf bags that are fully biodegradable, will be composted.

11. Vernon shall not co-mingle the leaves collected directly by its own employees with materials brought in from the various collection sites.

12. The Lessor has the right to retain up to 25% of the finished compost to be selected from compost consisting of leaves vacuumed and/or collected by employees of the Town rather than from compost from leaves collected from various collection sites in the Town.

13. Vernon shall remove all compost from the site each year at the end of each composting cycle, except that retained by the Lessor.

14. The Town shall build and maintain an earthen berm on the Easterly edge of the site in accordance with the terms outlined in Schedule B.

15. The Town shall indemnify and hold harmless the Lessor from all claims and expenses of claims due to the operation on the site.

16. The lease shall be for a one (1) year period, with the option to renew for four (4) more years, provided that the facility is operating safely and to the satisfaction of the Connecticut Department of Environmental Protection.

Vernon annually shall have the option to non-renew this lease with sixty (60) days written notice to the lessor that it does not intend to renew the lease on each anniversary date starting August 1, 2010, and including August 1, 2011, August 1, 2012, and August 1, 2013.

If Lessee's governing body fails to appropriate sufficient funds in any fiscal year for rentals and if no other funds are available for such payments, then a "non-appropriation" shall be deemed to have occurred. In the event of "non-appropriation," the lease shall terminate and the Lessee shall not be obligated to pay rentals due under this lease.
17. The lease may be cancelled by either party if or when the compost facility has been found to cause any degradation of the environment or public health, as determined by the Connecticut Department of Environmental Protection, and a pro rata rebate of rent shall be due.
