## The Memorial Building

The Memorial Building, Vernon's Town Hall, was built in 1889, as a memorial to the soldiers and sailors from Vernon who died during the Civil War. The original plans for the building called for a Memorial Hall to be included as a meeting for the local veterans. The Memorial Hall, located on the second floor, was dedicated over a hundred and twenty years ago, in September 1890, and placed in the care of the Grand Army of the Republic, an organization of Union Army veterans. That organization and its successor, the Sons of Union Veterans of the Civil War, have been the caretakers of the hall ever since.

The G.A.R. was once a very large and active organization, that took care of widows, orphans and pushed for increased veterans benefits, with halls across Connecticut. Rockville's G.A.R. Hall is said to be one of the last intact, remaining halls in the state. Its original décor and the fine collection of Civil War artifacts now encompass the New England Civil War Museum.

The beautiful stained glass windows on the street façade of the building dominate the room. The central window features a G.A.R. membership badge. The ribbon at its bottom identifies the Rockville post of the G.A.R., Burpee Post#71. The post was named after Colonel Thomas F. Burpee, of Rockville, who served with the 21st Connecticut Volunteer Infantry and was mortally wounded at the Battle of Cold Harbor in 1864.

The symbols of the four services, at that time, are depicted on the two side windows. On the left are the stacked rifles of the infantry and the crossed cannons of the artillery. On the right are the crossed sabers of the cavalry and the rope and anchor of the navy. The windows are capped by the initials of the Grand Army of the Republic, G.A.R.

# The Mayor's Corner

It is hard to believe that the first day of school is here! I sincerely hope that everyone took advantage of the summer break and recharged to start the new school year refreshed. We are honored to welcome our new Superintendent Joseph Macary, in this edition of Events Magazine. Please make Mr. Macary feel welcome as he begins his new assignment.

This school year will coincide with many new projects in Vernon. The property at 19 Grove Street has been remediated and cleared of debris. It was a long time coming but, the finish line is in sight. These improvements will surely be a boost for the Grove Street area. The Town has plans to make this an extension of the Paper Mill Pond Park for all to enjoy. Right across the street, the buildings known as Amerbelle campus are being remediated and the density decreased, in preparation for reuse. We are looking to boost our economic landscape in this area and improve the historic gateway to our government center.

In addition to creating an improved gateway, we are working hard to complete the eighteen miles of road paving scheduled in the approved road bond. At present, our Public Works Department is on mile fourteen and fully anticipates reaching their goal before the paving season ends. We are very fortunate to have such a skilled department to manage these projects for us as citizens.

The first page story for this edition is one of historic significance and a hidden charm for our government center. Located on the second floor of Town Hall, the G.A.R. Museum, is open on

Thursdays and Sundays during the year. This summer, members of the Rockville Post of the G.A.R., Burpee Post #71 are keeping the museum open extended hours to coincide with the Farmers Market held across the street every Thursday. Please stop by and visit one of Vernon's treasures, or check out the website at [www.newenglandcivilwarmuseum.com](http://www.newenglandcivilwarmuseum.com). Special Thanks to Mr. Tad Sattler for our inside cover story photograph.

Upcoming events include the Rockville Festival held in late September in Central Park. Contact the Parks and Recreation Department for all the details. Also included in the Parks section is information about R.E.K. and other programs for your children throughout the school year.

In closing, while I know that everyone's lives are very busy, I ask that you consider volunteering for one of our many boards and commissions or if you are interested we are always looking for volunteers for our Fire Department and other activities/events run by the Town of Vernon. Please call my office at 860-870-3601 or check out the website [vernon-ct.gov](http://vernon-ct.gov) for details. Thank you for your trust and allowing me to serve as your Mayor!

## Rediscovering the Old Connecticut Path

The Old Connecticut Path is still visible in Ashford. Photo by: Jason Newton.

The Old Connecticut Path followed by the founders of Connecticut is an important but little known part of the history of our American story.

The years 1635-1636 saw two groups of pioneers set out on a journey west from the Massachusetts Bay Colony through the

unsettled wilderness to build new lives in the Connecticut Valley at Windsor and Hartford. The Dorchester company led by Roger Ludlow and John Warham, and the Newtown congregation led by Reverend Thomas Hooker followed Indian trails and began America's westward migration along what came to be known as the Old Connecticut Path.

Jason Newton is a descendant of Reverend Thomas Hooker who led his congregation from Cambridge to Hartford in 1636. Mr. Newton is a retired psychologist and educator whose family history project led him to rediscover the Old Connecticut Path followed by his ancestors.

His presentation will connect the story of the Path and the people who followed it to Connecticut with our nation's heritage and

Vernon's history. Complementing Mr. Newton's presentation, Jane Seymour, a wildlife biologist for the Connecticut Department of Energy and Environmental Protection, Wildlife Division, will discuss the animals, plants and environmental conditions that the settlers encountered on their journey through Colonial Connecticut.

The program will begin at 2 p.m. on Sunday, September 20th at the Vernon Historical Society's building at 734 Hartford Turnpike, Vernon. The program is free and open to the public.

Nineteenth Century woodcut is in the public domain.

Donations are always gratefully accepted. # Leaf Collection Program - 2015

The Town of Vernon leaf program will begin Monday, November 2, 2015. Leaves should be raked to the curb by this date to ensure collection. Do not be alarmed if you see DPW crews out the week before this date. They are testing the vacuum equipment and training our temporary leaf laborers.

All streets in the Town of Vernon have been divided into 3 groups. Group A Streets will be collected first and completed before leaf crews move on to Group B Streets and so on. This program is dependent on weather. Under good conditions, we expect to complete a group of streets in 1-2 weeks. Rain, snow or freezing temperatures will delay the program.

All streets are guaranteed at least one pass. If time permits, there will be a second pass. Residents are at their own risk whether to wait for a second pass or to bag their leaves for pickup on either of the first two Fridays in December.

Residents may either transport their leaves to a designated leaf bin or bag them for pickup by DPW crews. Leaves may be bagged using either the biodegradable paper bags OR plastic lawn & leaf bags.

Bagged leaves will be collected the first two Fridays in December. Bag pickup is not automatic - please call the Public Works Office at 860-870-3500 to schedule.

Leaf bins will open mid-October for the convenience of residents. Contamination caused by disposal of brush, bags, grass clippings or any other debris will result in these leaf bins being shut down.

- **NYE STREET** - At the firehouse off West Street. Bin will be marked.

- **CHURCH STREET** - In the bike trail parking area. Bin will be marked.

- **LEGION FIELD** - Off Regan Road at rear of parking lot. Bin will be marked.

Please be aware of some delays that are beyond our control - leaf fall timeframe, weather conditions, holidays. "Mother Nature" plays a big role in our leaf program!

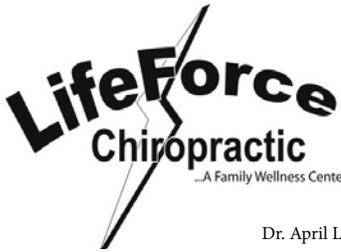

Detailed information including street group lists is available on the Town of Vernon Website [www.vernon-ct.gov](http://www.vernon-ct.gov).

# School Days, School Days

We're back at Ballek's Garden Center on Maple Avenue and we couldn't be happier. Look for us in the field across from the cows! (They're excited, too!) The market will be held every Wednesday evening from 4:00 -7:00 p.m., weather permitting. Our season kicked off on June 3rd and will "keep on going while good things are growing" ending September 30th.

We have an abundance of fresh and prepared foods, artisan crafts & specialty products - lots of familiar favorites and some wonderful new additions as well. We accept WIC, SNAP and locally-based coupon programs. We also host local non-profit and civic organizations. We have many activities, special events, educational displays, demonstrations, talks, and tours taking place throughout the season, and we have live music every week. All free and family-friendly for everyone to enjoy! On August 19th and September 23rd, Kat McKinnon will be leading "Wild Edible and Medicinal Plant" walks. Kat is the founder of "Meet The Green", a local school for herbal medicine and botanical studies, and will be teaching us about the wild bounty that surrounds us. Learn to identify common wild edible and medicinal weeds and how to safely gather them, as well as basic herbal medicine concepts. We hope to become your Wednesday night destination throughout the market season. Shopping doesn't have to be a chore! Follow our Facebook page (<https://www.facebook.com/EastHaddamFarmersMarket>) to get reminders and up-to-the-minute information. While you're there, browse the pictures to see how much fun we have. Maybe you'll see someone you know! Don't forget to "like" us and "share" us with your friends.

# Preparing for a Hurricane

Hurricane readiness should begin long before the event occurs. If you live in a hurricane-prone area, you can prepare far in advance for the possible dangers to health and safety resulting from a hurricane by learning about your community's emergency plans, warning signals, evacuation routes, and locations of emergency shelters.

- Identify potential home hazards that could develop during a hurricane, such as those involving gas, electricity, chemicals, and structural damage
- Install a smoke detector
- Buy a fire extinguisher and make sure your family knows where to find it and how to use it
- Conduct an evacuation drill for at least two ways out of your home

## During the Storm

To get through the storm in the safest possible manner:

- Monitor the radio or television for weather conditions, if possible
- Stay indoors until the authorities declare the storm is over
- Do not go outside, even if the weather appears to have calmed -- the calm "eye" of the storm can pass quickly, leaving you outside when strong winds resume
- Expect the loss of electricity, gas, and water
- Stay away from all windows and exterior doors, seeking shelter in a bathroom or basement. Bathtubs can provide some shelter if you cover yourself with plywood or other materials
- Prepare to evacuate to a shelter or to a neighbor's home if your home is damaged, or if you are instructed to do so by emergency personnel
- If you should lose electrical power, eat perishable food first

# Town Clerk's Office

Bernice K. Dixon; MCTC, CMC, Town Clerk

## Municipal Election

*Election (n) – the right, power, or privilege of making a choice*

The municipal election will be held on November 3, 2015. If you plan to be away on that day, you may apply for an absentee ballot beginning in August at the Town Clerk's office or by downloading the application from the Secretary of the State website at [www.sots.gov/sots](http://www.sots.gov/sots). Click on Elections & Voting. Then you must send the completed application to the Town Clerk's Office. The Town Clerk's Office will begin mailing the ballots October 2, 2015.

The Town Clerk's office has a significant role in all elections, primaries and referenda held in the Town. We take our responsibilities very seriously; but, more

importantly, we feel very privileged to be a part of this important process within our great democratic system.

While the registrars of voters are in charge of administering all elections and primaries, the Town Clerk's role is integrated with the registrars to assure any observer that an impartial, equitable, just outcome is guaranteed to all candidates running for any office in the country, state, city or town.

Election preparation in this office begins many months before the scheduled day. Nominations for the local elections are filed in the Town Clerk's office. The Secretary of the State notifies us of all other candidates. Legal notices are

prepared and published and this office participates in voter registration too. Absentee ballots are drafted, ordered, distributed, received and managed by the Town Clerk's Office. Most ballots must be available 31 days before the election. The Town Clerk's office works closely with the registrars of voters delivering absentee ballots for counting and preparing many reports for the Secretary of the State as well as auditing election results to ensure accuracy in reporting the results.

After the election, the results are copied as a permanent record. These last functions complete the election cycle – until the next time!

## Vernon Education Foundation

The Vernon Education Foundation is a 501C (3) tax-exempt non-profit organization founded in 2003 whose mission is to enhance the quality of education in Vernon by providing financial support to initiate and maintain educational projects for Vernon's residents.

Their projects include the "Book-Of-My-Own" program where every first grader in the Vernon Public Schools receives a book of their own at the end of the school year. The foundation has provided \$2,000 in funding for books to stock the summer Book Mobile by applying for grants through the Dollar General Literacy Grant program.

Other projects include mini-grants to teachers for innovative programs, providing transportation for summer school educational field trips, funding for Maple Street School students to publish their own books and the publishing of a book of photographs of burial markers in two of Vernon's oldest cemeteries. This was an Eagle Scout project with students from Boy Scout Troop #86. The foundation also gave away book bags at a recent National Night Out.

## Tolland County Agricultural Center, Inc.

In 1956, Tolland County leaders in 4-H, homemaking and agricultural programs and 10 farmers who mortgaged their farms founded and incorporated the Tolland County Agricultural Center. Commonly known as TAC, it is a private non-profit 501(c)(3). In 1957, the Town of Vernon agreed to sell a 32-acre tract of land previously known as the Town Farm property to TAC for \$10,000.

The current Activities Building was constructed in 1959 with the help of a local carpenter and the assistance of volunteer labor. In 1959, the Tolland County 4-H Fair permanently moved to this site. The main office building was completed in 1961. The offices are currently rented by the University of Connecticut Cooperative Extension Service, which includes the 4-H program, the Pesticides Management program, the Master Gardeners and the SARE program. The North Central Conservation District of Connecticut and the Eastern Connecticut RC&D maintain offices in this Elliott Building.

The other buildings were constructed during the 1960's, 1970's and 1980's. The 32-acre grounds include two outdoor horse show rings, four livestock buildings with one indoor show ring, and outdoor open pavilion. These facilities are used for events such as the annual Sheep and Wool Festival, Tolland County 4-H Fair, dog shows, Envirothons, Master Gardener courses and numerous 4-H club meetings. Projects on the grounds include demonstration gardens, flower garden labyrinth that blooms in the Spring, grass demonstration plots and a nature area with walking trails.

Keeping with TAC's mission, \$1,000 in Scholarships are awarded annually to students pursuing courses of study in either Agriculture or Family Studies. We hope you will come and enjoy an outing this summer or fall. Events include horse shows, the Tolland County 4-H Fair, dog shows and other programs of interest. ## West Main Street Bridge

### Before & After

Before Construction

After Construction

Replacement of the West Main Street Bridge began in April of 2014. Even though the construction was not complete until recently, the work was sufficiently complete to allow the bridge to open to traffic during the winter. We would like to thank everyone for their patience while the bridge was out of service. Eighty percent (80%) of the construction cost of approximately \$2,000,000 was paid for by Federal funds. We are planning a formal ribbon cutting in the near future.

# Union Church to Celebrate 125<sup>th</sup> Anniversary 9/19/15

"Weaving Goodness in Rockville for 125 Years" will be the theme of a multi-media sight

and sound Gala on Saturday, September 19 at 6:30 pm in the gorgeous 600-seat sanctuary at Union Church, 3 Elm Street in the Rockville section of Vernon. The anniversary celebration will trace the genesis of Union Church, from mid-September of 1890 when the huge granite structure was dedicated, to the present, with a glimpse into the future. The event is free and open to the public. Dress is casual.

"This event will appeal to a broad spectrum of local citizens, from kids to seniors" says organizer Drew Crandall, who will serve as emcee dressed as the Rev. James Dingwell, the first pastor of Union Church. "First, people who have been affiliated, connected

with, or touched by Union Church will enjoy this unique celebration and family reunion. Second, people with a passion for Rockville history will be intrigued by this fascinating journey through time. Third, people who are just looking for a fun, family-friendly Saturday night out will find this event very uplifting."

The Gala will include majestic music on the pipe organ, singing by the choir, upbeat contemporary worship music by the praise band, live dancing with flags, slide and video presentations, and cameo appearances by a variety of guest speakers. During the intermission, guests will be able to view a series of displays in the chapel that provide a visual history of Union Church. The Gala will conclude with an unforgettable and inspirational finale. For details, please call the church office at 860.875.2559 or visit Union Church.us.

# Skinner Road School Award

The Alliance for a Healthier General was founded by the American Heart Association and the Clinton Foundation to reduce childhood obesity. The Alliance's Healthy Schools

Program is an evidence-based initiative that creates and sustains healthy environments where students can learn better and flourish. The Alliance Program works to help schools improve physical education, health education, and nutrition and has impacted more than 17 million students nationwide.

Skinner Road Elementary School has achieved the Silver Award status in the Healthy Schools Program. To reach the Silver Award Level, Skinner Road School had to meet the Alliance standards in seven areas: Wellness Policies, Snacks and Beverages, Breakfast and Lunch, Health Education, Physical Education, Physical Activity, and Employee Wellness. In 2014, Skinner Road School met the standards for a Bronze Award. Next year, Skinner Road School is hoping to go for the Gold Award!

The Skinner Road staff, parents and students have always worked to promote health and wellness within the building. Every two weeks, weather permitting, the students who are

bussed are dropped off at two locations and the entire student body walks to school. Mr. Uthgenannt, the Physical Education teacher, offers numerous after school activities for the students. These activities include tennis, running club,

games galore, cardio club, volley ball, and numerous other physical games and skills. In addition, Skinner Road School has a marathon club that has run the Hartford Marathon for the past 7 years.

Skinner Road School is involved and partnered with our district Wellness Committee and the Vernon Public Schools Food and Nutrition Services Department to ensure healthy food options for our students. Partnering with Food Corps, which is hosted by the UCONN Extension College of Agriculture, Health and Natural Resources, the students have developed a community garden. Skinner Road School staff engage in a variety of wellness activities for staff and students.

Mr. Eric Uthgenannt has been invited to Capitol Hill this September to speak to Congress about Skinner Road School's accomplishments. Mr. Uthgenannt will then accept the Silver Award on behalf of Skinner Road School.
