INSPECTION OF TOWN BUILDINGS

ROCKVILLE HIGH SCHOOL

PERFORMED BY THE PERMANENT MUNICIPAL BUILDING COMMITTEE

OCTOBER 24, 2018

RECEIVED
VERNON TOWN CLERK
19 FEB - 4 AM 8:36

1. Joseph Macary, Supt. of Schools, reported that some departments were being shifted around to “rearrange things for the students”. The idea was to create a more efficient flow inside the building.
2. The Tech areas and Auto Shops have made notable purchases which were made possible by the generosity of the Sykes Foundation. Receiving grants like this enriches academic and hands-on education.
3. The maintenance staff has been working hard to address necessary repairs.
4. This is a very large building and heavily used. The appearance of the school is clean and bright!
