**MEMORIAL DAY PARADE A HUGE SUCCESS**

***Mayor Daniel A. Champagne would like to extend a thank you to all the participants in this year's parade. The American Legion Post did an outstanding job planning and executing the event. Many groups as well as our own Parks and Recreation Department worked very hard to honor our vets with touching ceremonies at our cemeteries and on the green of Central Park.***

***Special thanks to all our veterans who shared their day with us and to Bundy Motors, Suburban Subaru and Key Hyundai who donated cars and drivers to support our veterans in the parade.***

***I am proud to say that our community came together to honored those who have given their lives for our country. We are all very privileged to live in a country where we enjoy freedom everyday!***
