

ATTENTION BIDDERS:

This email is intended to serve as a clarification to Addendum #2 for the Replacement of the Phoenix Street Bridge over the Tankerhoosen River, CT:

Item # 7 of Addendum No. 2 regarding a new item No. 1504011A-Temporary Support and Protection of Utility (Water Main Facility) was a typographical error and the item and special provision do not exist for the project. Work to temporarily support and protect the temporary water main facility is included in Item No. 1301023A-Installation of Utility Company Furnished Water Main-Temporary.

Bidders should use the Schedule of Prices that was included in Addendum No. 2 which includes all the appropriate items for the project bid.
