

# TOWN OF VERNON 2015 LEAF COLLECTION PROGRAM

The 2015 Leaf Collection Program will begin on Monday, November 2nd. All leaves should be raked to the curb by this date to ensure collection. Do not be alarmed if you see DPW crews out the week before this date. They are testing the vacuum equipment and training our temporary leaf laborers. All streets are guaranteed at least one pass. If time permits, DPW crews will make a second pass. However, residents are at their own risk as to whether to wait for a second pass or bag their leaves.

All streets in the Town of Vernon have been divided into 3 groups. Group A streets will be collected first and completed before leaf crews move on to Group B streets and so on. This program is dependent on weather. Under good conditions, we expect to complete a group of streets in 1-2 weeks. Rain, snow or freezing temperatures will delay the program.

Do not rake leaves into the street or onto the sidewalk. This is a safety and flooding hazard as well as a violation of Ordinance No. 235, Sec. 7-20 and is punishable by a fine of \$100.
