VERNON PUBLIC WORKS NEWS

Labor Day Refuse & Recycling Schedule - The Vernon Public Works Department will be closed on Monday, September 2, 2019 in observance of Labor Day. Refuse and recycling will not be collected on that day but instead will be collected the following day on Tuesday, September 3, 2019 along with that day's collection. If delays occur, please keep carts out at the curb. The Transfer Station located on Hockanum Boulevard will be closed on Sunday, September 1, 2019.

Remaining Hazardous Waste Collection Dates - Vernon residents may dispose of hazardous waste on the following collection dates: August 24, September 28 and November 2. All dates are Saturdays from 8 AM to 1 PM and the location is the Capitol Region East Hazardous Waste facility, which is adjacent to the Manchester Landfill located at 321 Olcott Street. The drop-off is free to Vernon residents but the Town is billed approximately \$45 per participating vehicle, therefore, it is requested that residents bring as many hazardous materials as possible to the collection site, possibly carpooling with neighbors.

For a full listing of what materials are and are not acceptable at the CREOC Household Hazardous Waste collection events, please visit the Town of Vernon website at <http://www.vernon-ct.gov>.
