Remaining Hazardous Waste Collection Dates - Vernon residents may dispose of hazardous waste on the following dates: September 19, October 31 and November 14. All collection dates are Saturdays from 8 AM to 1 PM at the Capitol Region East Hazardous Waste facility, which is adjacent to the Manchester Landfill located at 321 Olcott Street. In addition, there will be a collection on Saturday, October 17 from 8 AM to 1 PM held in Stafford at the Highway Department garage at 210 East Street, Stafford, CT. In an effort to allow for the collection of household hazardous waste (HHW) during the ongoing pandemic and insure the safety of our customers and staff members, modified guidelines will be strictly enforced.
