PRESS RELEASE

November 3, 2011

VERNON LEAF COLLECTION & YARD DEBRIS

The Town of Vernon Leaf Collection will be delayed a week and will now begin on Monday, November 14, 2011. Residents are asked to do their best to keep their brush separate from leaves which will be collected by vacuum equipment.

In an effort to assist residents with yard debris resulting from Storm Alfred, Town crews will be collecting brush curbside. Please lay brush parallel to the curb and cut a maximum of six feet in length. Brush must be manageable - heavy tree limbs may result in injury to our work force.

In addition, brush can be dropped off by residents at the designated area at Henry Park, 120 South Street in Vernon. Leaf bins are located at Legion Field, Church Street and at the Co#4 Firehouse on Nye Street. Absolutely no brush is allowed at the leaf bin sites.

Please call the Vernon DPW (860-870-3500) with any questions.
