**PART 2: Grasscycling & Home Composting** If your municipality has active, ongoing grasscycling (leaving grass clippings on the lawn) and/or home composting programs, please check the appropriate boxes below. An estimate of the amount home composted/grasscycled will be added to your municipality's waste diversion tonnages. If you have determined (through measurement or survey) the actual amount home composted and/or grasscycled, please report that annual tonnage on Part #1 (pages 2 thru 5) of this form and specify "grasscycling" and/or "home composting" in the row(s) labeled "other", and attach a brief description of how those tonnages were calculated. Want more information re home composting or grasscycling? Visit the DEEP [composting webpage](#) or call the DEEP Recycling Office at (860) 424-3366

**Part 4: Solid Waste Disposed (Please Report Disaster Debris Separately From Other Material)**

Please indicate the first destination(s) (landfill, resource recovery facility, or regional multi-town transfer station) where solid waste generated in your town is received for disposal.

- If first destination is your municipal transfer station – report the first destination of waste sent out from your transfer station.
- If first destination is out-of-state, report (in Column C) the tonnage delivered to that facility.
  - If you are unable to get information regarding tonnage sent to that out-of-state facility, report information regarding the hauler who transported that waste out-of-state.
