

## **PRESS RELEASE**

November 19, 2010

### **BASKETBALL HOOPS & POLES**

Observations have been made in the Town of Vernon that there are many basketball hoops and poles placed at edge of roads on town property – especially on cul-de-sac roads. The Town of Vernon will **not** be responsible to repair or replace damaged hoops or poles due to damage caused by town vehicles – especially during removal of refuse, recycling, snow, slush, etc. Please remove the basketball hoops and poles and place onto private property.

Your cooperation is greatly appreciated.

Visit our website at **[vernon-ct.gov](http://vernon-ct.gov)**.

Robert J. Kleinhans, Director  
Vernon Department of Public Works
