

PRESS RELEASE

August 3, 2011

DRAINAGE WORK –CUBLES DRIVE

The Town of Vernon Public Works Department is announcing that drainage work is planned for Cubles Drive beginning August 15, 2011. This work is expected to take approximately three weeks, weather permitting. Please expect delays during this period.

Call the public works office at 860-870-3500 if you have any questions.

Thank you for your understanding and patience during the time that it takes to complete this project.

Jason McCoy
Mayor
