

REFUSE INFORMATION

COLLECTION HOURS

Curbside pickup begins at **6 AM year-round** Monday through Friday. Refuse should not be placed to the curb more than 24 hours in advance.

AUTOMATED ROUTES

The Automated Routes utilize the tan carts that are either 96-gallons or 64-gallons in capacity. Refuse should be **bagged** and placed in the carts. Items on or around the carts will not be collected. Carts should be placed to the curb with the wheels pointing **away** from the street and at least 3 feet away from another cart, a phone pole, a mailbox, etc.

MANUAL ROUTES

Plastic or metal refuse cans (**no larger than a 32-gallon size**) are allowed. Plastic trash bags should be no smaller than a 20-gallon size. Refuse containers with a hinged lid or covers that are attached with rope or wire are **not** allowed. **Important:** No trash can or bag should weigh more than 50 lbs. each.

UNACCEPTABLE FOR CURBSIDE PICKUP

Effective Fall of 2010, bulky items and yard waste will no longer be collected curbside - townwide.
