2. Driveway Request from Mike Metacarpa- 2nd Curb Cut, 79 and 79 ½ Spring Street.

After a brief discussion, a motion was made to table the request for the 2nd curb cut. Motion passed unanimously. Ray Walker will have the Building Department explain to the applicant as to why the application was tabled. Reasons for tabling the request were applicant not present, the improper information given to the Building and Engineering Departments and the conflict on the right of way.
