

Vernon Cooling Center July 22, 2011

- The Town of Vernon will be opening a cooling center at the Senior Center on the 2nd floor.
- The cooling center will provide an air-conditioned public space with access to drinking water to help people deal with the heat wave.
- The cooling center is not equipped or staffed to provide medical care. Any person suspected or presenting with medical issues will be referred to our local ED and/or the 911 system.
- The hours of operation will be from 9:00 am to 7:00 pm.
- Vernon C.E.R.T. will be staffing the center throughout the day.
- The Connecticut Department of Public Protection and Emergency Services has been notified and the 211 system will be updated with this information.
