

PRESS RELEASE

June 9, 2010

AUTOMATED RECYCLING CART PLACEMENT REMINDER

Wheeled **recycling** carts should be placed a minimum of **3 feet** from any obstacle (mail boxes, telephone poles, vehicles, or other trash bags and barrels) with the handle facing the house. The automated truck will not be able to grab and empty your container if these guidelines are not met.

Visit our web site at vernon-ct.gov.
