BRUSH DISPOSAL

Vernon DPW is setting up a site to collect brush at the rear of Legion Field starting today, Monday August 29. The area will be sign designated. We will grind it there when complete and mulch will be available to residents.

We will also accept brush normal hours (8 AM to 4 PM) Wednesday and Saturday at the Transfer Station free of charge.

Starting on Wednesday, August 31, we will make special brush collections curbside for two weeks by a special truck on your normal refuse and recycling pickup day. Brush should be piled on the ground approximately 5 feet from the refuse and recycling carts. The brush may not be picked up on that day depending on volumes.

The hours at the Public Works Department are from 7:00 AM to 3:30 PM Monday through Friday.
