Minutes for LPC and YSBAB
May 28, 2013

Attending: Kim McTighe, Chelsea Poloski, Kim Marinaran, and Alan Slobodien
Guests: Melisa Luginbuhl

RECEIVED
VERNON TOWN CLERK
13 JUN - 3 PM 3: 54

1. Chelsea provided a thorough update for SSNAP and shared student feedback regarding the recent substance use survey conducted at RHS. Regarding alcohol awareness week, SSNAP students organized a variety of informational activities that included: bruised faces, post-it notes on lockers, crash car at the school.
2. Melisa shared that substance use survey results will be available in September. Bonnie Smith will meet with Dr. Conway to share survey results and this meeting is typically followed by a presentation to the BoE. Once the information is presented to the BoE, it becomes public knowledge and presentation to the broader community can be undertaken. The Council will have input into the reporting out format and ERASE can assist. Those present decided to use the September Council meeting to present survey data to the LPC and invite VPS administrators to that meeting. Sharing any of the information will take place once the survey results are public.
3. Alan reported that the YSB budget was reduced due to the referendum failing to pass, however, state grants to the YSB appear to be at level funding. Currently there are state funds in the Governor's budget that supports 14 summer youth employment students who must be income eligible or in DCF care to qualify. Kim McTighe manages the summer employment program. The YSB oversees the summer lunch program and will operate four lunch sites this summer: Talcott Park, Henry Park, Maple Street School and Park West Apartments.

Meeting adjourned following item #3 discussion.

Next Meeting: September 24, 2013 - 2:15pm @ RHS Library

Alan M. Slobodien
