Attending: Paula Plante, Earl Middleton, Nadine Ferreri, Alyssa Holmes, Kim McTighe and Alan Slobodien
Guests: Ashley Murphy

1. Nadine and Alyssa provided the SSNAP report. SSNAP students created 1,000 bags decorated with safety messages for distribution to local alcohol sellers. Three stores are participating. A no texting while driving campaign is SSNAP's next project. No texting pledges will be handed out during lunch waves and for those that sign the pledge, a thumb ring with no texting while driving message will be distributed.
2. Those present discussed how to utilize funding from the LPC and DFC grants. Alan will attend a January regional meeting where pooling funds for marketing no use and safety messages will be discussed. He will bring this information back to the Council for further discussion.
3. The Council decided to begin meeting on a quarterly basis and this does meet grant requirements. Meetings will be held in September, November, February and May on the 2nd Tuesday of the month same time and place.
4. Ashley passed out the ERASE newsletter.

The meeting adjourned at 2:55pm following item #4 discussion.

Next Meeting: February 14, 2012 2:15pm @ RHS Library
