It is understood and agreed that the written Unit Prices bid for the quantities of work in the various item shall control the Contract award that the quantities noted are approximate, (estimated only for use in comparing bids); and that the sum obtained by multiplying the Unit Prices by the estimated quantities and, also, the total of these sums are inserted for the purpose of checking this Bid and for the convenience of the Bidder. The Unit Prices are to be paid for the actual quantities of the several classes of work in the completed work or structures.

Should quantities be less than those shown for the Unit prices, only lesser, actual quantities will be allowed in calculating cost.

Notice to Bidders:

The Bidder's attention is called to Section 10 of the "Information to Bidders" and Section 309 of the Special Conditions regarding the significance of the as-bid unit prices for this project.

The Bidder understands, by signing this Bid, that the Town of Vernon may REJECT any bid that has unit prices which are, in the opinion of the Engineer, obviously unbalanced. The Bidder is required to calculate the value of the various bid items on the basis of reasonable labor, material, equipment, pro rata profit and pro rata overhead costs to perform the work described in the Contract Documents.

In submitting this Bid, the Bidder understands that the Town of Vernon reserves the right to reject any and all bids, or to waive any informality in submitted bid documents. The Bidder also understands that the Town of Vernon reserves the right to accept any, all, or none of the Alternates which may be listed above and may accept Alternates in any order at the Town's sole discretion. The Bidder agrees to perform the work of each accepted Alternate for the sum quoted for each and to include such accepted Alternates in the Contract for construction.

If written notice of the acceptance of this Bid and any or all of the Alternates is mailed, telegraphed or otherwise delivered to the undersigned within ninety (90) days after the opening of the Bid, or at any time thereafter before the Bid is withdrawn, the undersigned agrees to execute and deliver any Contract in the prescribed form and furnish the required bonds within ten (10) days after the Contract is presented to them for signature.

Bid Bond:

The undersigned herewith submits security equal to ten percent (10%) of the Base Bid, the sum of:

_____ Dollars and
 _____ Cents
 _____ (\$ _____)

This security shall be the sole and exclusive property of the Town of Vernon as liquidated damages to the Town, if the undersigned fails to execute a Contract in conformity with the accompanying forms, after due date notification therefore in the Contract Documents.

Other Conditions:

Attached hereto is an affidavit in proof that the undersigned has not colluded with any person with respect to this Bid, or any other bid, or in the submitting of this Bid.

The Bidder is enclosing a statement of their qualifications and is prepared to submit a financial statement upon request.

The acceptance of subcontractors shall rest with the Town and their decision shall be final.
