

SPRING STREET BRIDGE CLOSURE

Starting on Wednesday, June 10, 2009 the Spring Street bridge will be closed to all traffic while it is being removed and replaced. This project is expected to last until July of 2010. Please use the following detour.

If you are travelling west on West Main Street:

Continue on West Main St. and take a left onto West St.
Take your first left onto Nye St., which leads to Spring St.

If you are travelling north on Rau Street:

Take a left on Spring St., then bear right onto Nye St.
Take a right on West St., then take your first right onto West Main St.
