

PROSPECT STREET CONSTRUCTION

Starting on Monday, June 8, 2009 construction will begin on Prospect Street between Union Street and Ward Street. This project is expected to last through November, 2009. Delays can be expected, however one way alternating traffic will be maintained throughout most of the work day. To avoid the construction, please consider using the following detour.

If you are travelling west on Prospect Street:

Take a left onto Ward Street, then a right onto Union Street.

If you are travelling east on Union Street:

Continue past Prospect Street and take a left onto Ward St, then a right onto Prospect Street.
