

Are you interested in issues of Hunger and Food Insecurity in Vernon/Rockville? Foodshare, the food bank of Hartford and Tolland counties, is planning a meeting to discuss hunger in Vernon. What are the facts and statistics? What is the reality on the ground? Are there strategies needed to make things better? If you wish to participate in this meeting (tentatively scheduled for early November), please call or email Sarah Santora, Foodshare Community Involvement Coordinator, at 860 286-9999 x105. ssantora@foodshare.org
