

**Town of Vernon  
Parks and Recreation Department  
Project Update- September 2009**

**Boulder Ridge Park:**

- The gate at Boulder Ridge Park has been replaced

**Millfoil Inspections:**

- The milfoil invasive species inspection is in progress for lakes and ponds in town.

**Henry Park:**

- Horowitz Pool was sandblasted, repaired and painted and completed in early summer in. We were able to open the pool quickly after weather delays with Volunteers from the Vernon Fire Department. Thank you to all who volunteered.

**Trails/Vernon Greenways/ Parks**

- Rails to Trails Church Street parking lot is in the process of being expanded.
- Vernon Train Depot and Mills grant is in progress. The texts and the signs are in the process of being designed.
- Rockville Downtown grant is in the progress. The texts and the signs are in the process of being designed.
- Hockanum River Linear Park grant is completed. Installed stone trail, stone wall and benches at the Mansions trail area.
