

The Town of Vernon contains 18.4 square miles and is divided into two portions by Connecticut's major interstate highway I-84. Interstate 84 has four interchanges in Vernon. The accessibility to I-84 and the adjoining interstate network is considered to be superb. A series of connecting State Routes include Routes 83, 74, 31, and 30. Developers will find that almost any area of Vernon will meet their accessibility and transportation requirements. The Town of Vernon has over 100 miles of local roads and more than 20 miles of state highways.

Vernon is located in the Greater Hartford Metropolitan Area, midway between New York City and Boston. Vernon's location makes major market areas of New England, the Mid-Atlantic States, and Quebec Province easily accessible.
