Gifts for Vernon

Support Vernon

Vernon is a truly unique community. Vernon has given us all so much, that many residents and organizations have felt motivated over the years to give something back to their town; often in the form of various donations that embrace our parks and recreational opportunities. The Town of Vernon has many needs that the tax-base can not support. The Parks and Recreation Department has to rely on the help of individuals, organizations and businesses to provide the best facilities possible. Today, there is a tremendous need to expand our facilities and improve our existing parks for all people in our community. With the recent renovations to Valley Falls Park, Newhoca Park and other future improvements, we need to raise money for capital items to ensure the best facilities possible.

This donation brochure is intended to streamline the process for any parties wishing to make a donation to enhance our Parks and Recreation facilities, and programmatic opportunities for the community. This is merely a guideline; there are many opportunities to support the town. We are happy to discuss other giving opportunities, please call or visit the Vernon Parks and Recreation Department and we can work on the best way to fulfill your wishes. By working in close partnership together, we can accomplish even more within our limited resources, and continue to make Vernon an even better place to live and play!

Bruce Dinnie
Director of Parks and Recreation
Town of Vernon

Giving Back to Your Community

A great way to show your community spirit is through the donation of equipment, services, or funding to enhance park facilities and recreational opportunities.

- Your contribution is a benefit to both you and the community in many ways.
- You get to choose how your gift will be used.
- Your program or team sponsorship name will appear in the newspaper.
- Contributes to a lower tax rate.
- Enhances the quality of life in Vernon.
- Your contribution is tax deductible.

To become involved, contact the Vernon Parks and Recreation Department at 870-3520
