MATTRESS AND BOX SPRING DISPOSAL CHANGE

The Town of Vernon announces that effective Wednesday, January 13, 2010 mattresses **and** box springs will require an additional punch each on punch card for disposal at the Transfer Station. All mattresses and box springs regardless of size will require the additional punch.

Disposal regulations do not allow mattresses and/or boxsprings to be collected with weekly curbside service. Residents have the option of either bringing mattresses and/or boxsprings to the Vernon Transfer Station or calling the Public Works Department at 870-3500 to schedule a **PAID** bulk pickup.

The Transfer Station hours of operation are Wednesdays and Saturdays 8 AM-4 PM and Sundays 12:00 Noon-4 PM. A permit and punchcard will be required.

When purchasing a new mattress and/or boxspring residents should consider arranging with the store where new item (s) were purchased the disposal of old mattress and/or boxspring.
